SOLAS SABB G3
Grade 3 External Sounder
Protection - with style

Introducing HKC's new look external sounder - the updated SOLAS SABB G3, bringing you an eye-catching design for stand-out Grade 3 security. With a contemporary, modern design, the new siren comes with a colourful range of lids and lenses and free screen printing of your company logo, prominently displaying your brand.

As you'd expect from HKC, the emphasis on technical details means the SOLAS SABB G3 is packed solid with additional features designed for enhanced security and resilience, such as remote and local testing, pry-off and lid tampering sensors and a high-intensity strobe.
The product's robustness comes from it's polycarbonate housing, conformally-coated electronics and fully-encapsulated, waterproof LEDs giving you confidence you're providing an enduring solution.

The new Grade 3 SOLAS SABB G3 is incredibly flexible too with programmable guard timer, sound output levels and lighting, giving you eye-catching, robust security - with style.
